

HOW MUCH DID WE DO?

First 5 Yolo served 5,240 participants countywide.

First 5 Yolo continued increasing services for prenatal through age 2, a critical time for early support.
61% of children served were under 3 years old

Our Mission

First 5 Yolo will assist our community in raising children who are **healthy, safe, and ready to learn**. We will ensure that our resources are effectively used, and all community voices are heard.

What We Do

First 5 engages community partners to design, improve, advocate for, and fund critical services to support the needs of children and their families prenatally through age five by administering Proposition 10 (tobacco tax) and other funds.

First 5 helps build a coordinated system of care to achieve more equitable outcomes for young children and their families.

First 5 Yolo Distributions

246,800 diapers to providers and families

1,348 toys

2,483 First 5 New Parent Kits

WHOM DID WE SERVE?

Race/ethnicity of children served by First 5 Yolo compared to county population averages

While 98% of children served had health insurance coverage, **a majority relied on Medi-Cal**

HOW WELL DID WE DO IT? & IS ANYONE BETTER OFF?

First 5 Yolo and Funded Partners focused on keeping children healthy, safe and connected

The following indicators represent the work from First5 Funded Partners in Road to Resilience initiative (R2R) and the Yolo Crisis Nursery.

86% of children were up to date on immunizations

98% of families avoided the need for entry or re-entry into Child Welfare Services

100% of parents completing ABC improved sensitivity

100% of refugee families met at least one of their goals by exit

First 5 Yolo Initiatives

The Child Project Road To Resilience (R2R): Centrally coordinated, home visiting and navigation services connecting prenatal and postpartum families in greatest need, to culturally responsive services so children get the best start in life.

97% of children enrolled in R2R home visiting received their last recommended well-child visit

98% of clients reported their home visitor worked with them on what mattered most to them

Welcome Baby expands R2R with Nurses and Community Health Workers to connect all Yolo MediCal and uninsured families to postpartum care and community support.

100% of families screened for depression/anxiety and received Baby Basics (health literacy) books

82% of families accepted Welcome Baby when offered

IMPACT2020 Coordination of Quality Counts California system including coaching for licensed and licensed exempt childcare providers and trainings to increase access to quality early learning.

25 Family, Friend, Neighbor (FFN) providers working towards licensure

100% FFN and Licensed providers Talk, Read, and Sing with children more often / intentionally

100% of FFN and Licensed Providers achieved at least 1 Goal

159 providers awarded Childcare Recovery Package Funding

Help Me Grow a universal, trauma-informed early childhood mental health access and linkage program expanding developmental screening and supports.

1,093 developmental screens completed

100% of caregivers reported increased knowledge of appropriate activities to facilitate their child's development

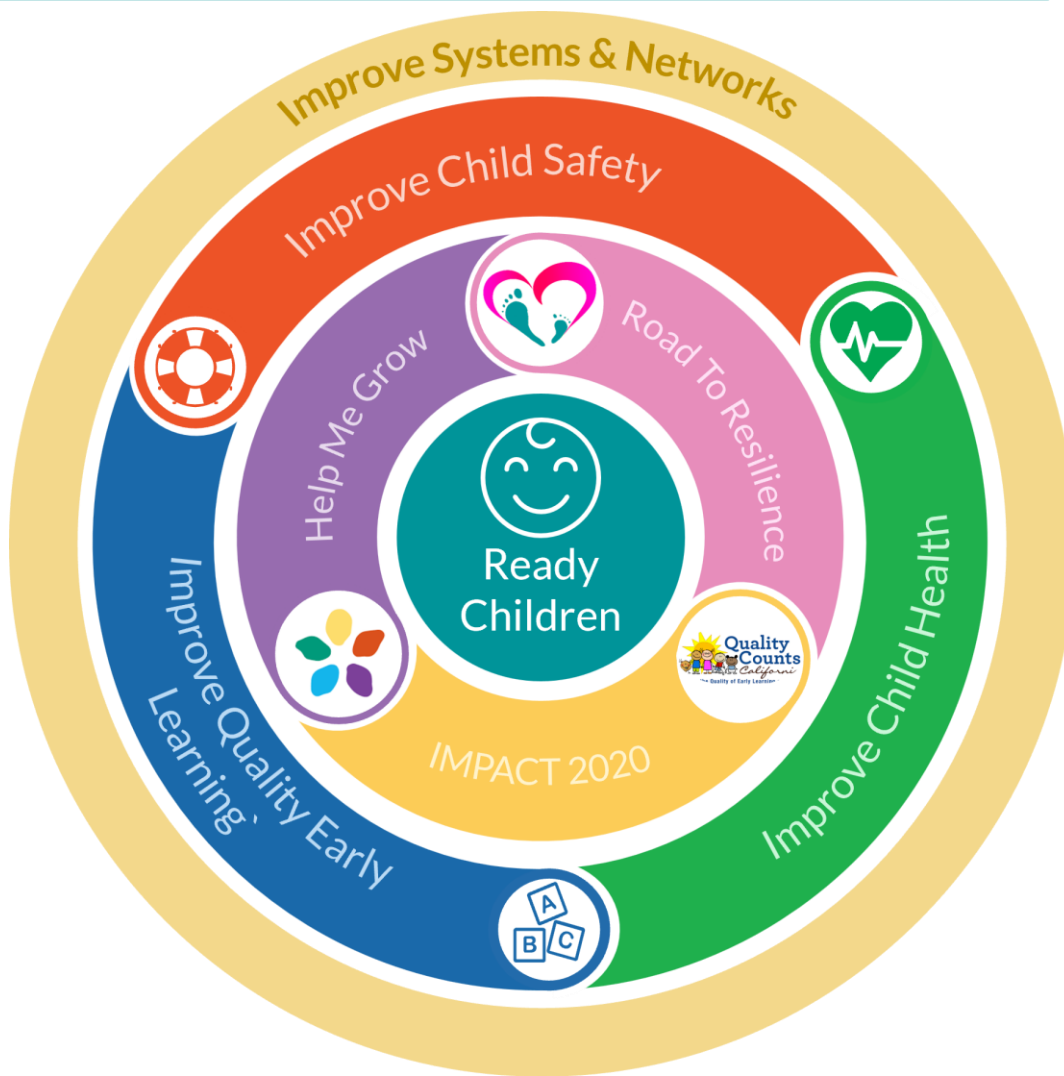

70% of children at risk of delays, connected to at least one service

88% of caregivers reported improved functioning and mental health assessment scores

Systems Change: It's All About Relationships!

First 5 Yolo's three main initiatives (R2R, IMPACT 2020, and Help Me Grow) and other Funded Partners, address our four Strategic Priority Areas, all of which work together to support healthy children, ready to reach their optimal development.

Strategic Priority Areas (Supported by three main initiatives)

Improve Systems & Networks

Support and enhance a system of care that is coordinated, responsive, and delivered by effective providers.

Improve Child Safety

Support and strengthen parents, caregivers, and families to provide safe environments and relationships to allow children 0-5 to thrive.

Improve Child Health

Provide prevention and early intervention so that children prenatal through 5 are supported in reaching their optimal developmental outcomes.

Improve Quality Early Learning

Improve access and opportunity for quality early learning so that children enter kindergarten ready to learn.

Systems Change Makers: Home visits mitigate toxic stress and guide parents to find their own power

"I used to feel like I was running on cortisol, struggling to juggle the challenges of being a mom with two young children. But thanks to the First 5 Yolo programs, R2R and Welcome Baby, I found a lifeline. These programs provided me with a foundation of support, stability for my mental health, and a sense of reassurance. ... **these programs helped me**...navigate life with newfound confidence. I'm grateful every day for the transformation... brought into my life." – WB/R2R Parent

Moving Forward First 5 Yolo will continue:

- Addressing systemic barriers to care
- Improving the quality of services for more equitable outcomes and sustainability
- Bridging prenatal care to primary care with Welcome Baby program
- Building provider capacity to promote nurturing care for children and families
